

# Guided By Voices, Beekeeper Seeks Ruth

That girl sitting over there is defined as the world's finest Paramount Pyramid.

I met this  
Beekeeper seeks Ruth  
That kind of timing just isn't happening  
Not today, not on any day  
The flying party is here  
But the constellation is right  
For a lovely fight  
A special strategy for the warlocks to her  
And his magical flute will sing you the truth  
Beekeeper seeks Ruth  
Flying party is here  
Zookeeper keeps her
