

Guided By Voices, Blatant Doom Trip

Jill and Vicky liked to drug-out
Doing it naked with ???
Ain't no angels in this part of town
Take me on a blatant doom trip, yeah
Take me on a blatant doom trip
We'll go down
Smell around
Take me on a blatant doom trip

Slow righteous
No time to back out
Lay all commands at the crack of the whip
I don't care if the rain causes pain
Just take me on a blatant doom trip, yeah
Take me on a blatant doom trip
Sonic boom

Legion of doom
Take me on a blatant doom trip

Scags, fags, and scallywags
Blackout
Far too serious and socially hip
Figure it out when it's over
Without a doubt
Take me on a blatant doom trip, yeah
Take me on a blatant doom trip

Bottomless hole
Rock and roll
Take me on a blatant doom trip, yeah x6
