

Guided By Voices, Bughouse (2 Versions)

Sugary Jane cakes lace (?)
Her hair smells nice
First one is the worst one sometimes twice
Are you careful?
Are you in the mood?
Sugary Jane is sweet like baby food
I won't flame you
I can't blame you yet

But when you crave it
I'll say that's all you get
Knives are sharpened by fidgety hearts
Fidgety hearts are foaming like sweet tarts
*??? mosquitoes on the dough (?)
*Pull the plug and watch the party go
