

Guided By Voices, Carnival Boy

Where are you going boy
Off to find your life
Travel throughout the world
You got dreamers sight

Chorus:
Then away tonight
Burn another wall
Actions wait in state
You won't have to bother

Where's your beginning boy
Off to find an end

Travel around the world
Till you find love

Chorus

Where are you going boy
Lost to find your way
Travel throughout the world
You got dreamers sight

Chorus
