

Guided By Voices, Don't Stop Now

Woke up one morning
Saw a rooster struttin by my house
Sixpack rings round his neck
Cock o the block
Dont stop now
Dont stop now

What keeps Big Daddy happy?
What makes the buzzard buzz?
A leaky quart of motor oil
Head for the hills
Dont stop now
Dont stop now

We pulled into Economy Island
King Shit and the Golden Boys
Plenty more where we come from
Top o the line
Dont stop now
Dont stop now

Dont stop now
Dont stop now

Dont stop now
Dont stop now

Dont stop now
