

# Guided By Voices, Fair Touching

Under the iron shop  
The farewell ladies wink  
Always promising  
No one to crush them  
Always pokerfaced before bingo  
Does it snap or just happen?

But a queen's prize awaits  
She might rub her legs  
But a queen's prize awaits

Currently fabulous  
And perhaps at last  
The song you sing will have meaning

But a queen's prize awaits  
She might rub her legs  
But a queen's prize awaits  
She might rub her legs

But a queen's prize awaits  
She might rub her legs  
But a queen's prize awaits  
She might rub her legs
