

# Guided By Voices, Hey Mr. Soundman

Hey Mr. Soundman, could you turn me up  
I don't know your name  
But you don't know me either  
You lie to your friends  
And I'll lie to mine  
Let's not lie to each other  
Hey Mr. Soundman x3  
Could you turn me up  
I don't know your name

But you don't know me either  
You lie to your friends  
And I'll lie to mine  
Let's not lie to each other  
Hey Mr. Soundman x3
