

Guided By Voices, Hey Mr. Soundman Split 7&qu

Hey Mr. Soundman

Hey Mr. Soundman, could you turn me up
I don't know your name
But you don't know me either
You lie to your friends
And I'll lie to mine
Let's not lie to each other
Hey Mr. Soundman x3
Could you turn me up
I don't know your name
But you don't know me either
You lie to your friends
And I'll lie to mine
Let's not lie to each other
Hey Mr. Soundman x3
