

Guided By Voices, Hold On To Yesterday

Hold on to yesterday
Hold on, that's what I gotta say
You want to be with me
And I told you that you could be with me
Hold on to yesterday
Hold on is what I gotta say
Oh you were with me
And I told you that I loved you baby
Hold on to yesterday
Hold on to yesterday
Hold on to yesterday
Hold on to yesterday
Here we go!
Want! You!
Want you
You need me (do you need me?)
You need me oh baby you got it
Hold on to yesterday
Hold on is what I gotta say
Oh I gotta tell you that I love you
And I want you to tell me that you love me
Oh go on, I want you
(Come back baby to me)
Hold on to yesterday...
