

Guided By Voices, I Can See It In Your Eyes

There's a hundred sounds around me
But only one thing I don't wanna hear
I know you don't wanna hurt me
But backs are backs so spare me the fear
I can see it in your eyes

I can see it in your eyes
Time for you to desert me now
But I don't want you to go

So now did you love me?
It was alright the last time you left
I'll get over it just as easily
??? give your life what you expect
I can see it in your eyes...
