

Guided By Voices, Lifetime For The Mavericks

I am a dreamer
I'm this far away
You are a screamer
I hear you
This is tomorrow
And where will we stay
In a lifetime for the mavericks?

Was time for the jokers
But maybe too late
And now the punch line is stumbling
Who let them up here?

They're too young, you now
To witness this business

This is tomorrow
But maybe too late

I am a dreamer
This far away
