

Guided By Voices, Manequin's Complaint (Wax

Kleptos parading on market floors today,
Insider raiding like boys who drink
and bring down everything
On top of us

This is what we're tired of
This is what we're tired of

And then much later

Paint it up for display
Maximum Torso
Cat from Pluto's purple moon
Said "Light me a can of gas"

This is what we're tired of
This is what we're tired of

This is what we're tired of (repeated)
