

Guided By Voices, No Sky

See you around, yeah
I wanted to call you around
See you around, yeah
I wanted to call you around

Could you?
Could you keep a secret from me?
Yeah, could you?
Could you keep a secret from me, yeah?

See you around, yeah
I wanted to call you around
See you around, yeah
I wanted to call you around

When I'm alone I can see no sky
When I'm alone I can see no sky
When I'm alone I can see no sky

Could you?
Could you keep a secret from me, yeah?
Could you?
Could you keep a secret from me, yeah?
