

Guided By Voices, Radio Show

Radio show, radio show
Trust the wizard, here we go
Radio show, radio show
Trust the wizard, don't say no
It's another day today (or is it "to day" instead of "today"?)
It's another day today
Alone he's alive he's alone he's alive This is not another fad

It's another day today
It's another day today
Radio show, radio show
Trust the wizard, here we got
Radio show, radio show
Trust the wizard, can't say no
It's another day today...
