

# Guided By Voices, Red Gas Circle

(?).....went ahead..we went ahead  
and set it up and knock it down  
you see it folly the (?)  
Now its crumbling to the cold unforgiveable ground  
You did it You had a hand in it  
and now it circling around  
oh yeah its circling around  
I coming back to this world  
to get things straight

Hey are you coming  
please don be late

I just can wait
