Guided By Voices, Skin Parade

For Chrissakes, Charlie Send them your love Pictures from happier times When babies acted like babies So did the grown-ups The band played We All Fall Down And some of us did

Fly off the wheel
Travel highwired
There are movements necessary
Then there is unnecessary motion
It happens all the time
You can see it swim
In the skin parade
In the skin parade

Where other objects move to Right through you To the other side It is come alive It is come alive In the skin parade In the parade of skin

Celebrating this level Of concrete movements Wicked
