

Guided By Voices, Strumpet Eye

Strumpet eye, eye, eye
Draw below
Hey, she got me to go

Every hand grabs
Every moment
Can I see you, strumpet eye?

Strumpet eye
Dig a rare earth angel gone

Strumpet eye
Was cheated in a romance
Strumpet eye
Can barely get into her own pants
That's what he goes with

In time
In time, yeah, strumpet eye
Strumpet eye
Strumpet eye

Strumpet eye, eye, eye, eye
Draw below
Hey, she got me to go

Every hand grabs
Every moment
Can I see you, strumpet eye?

Strumpet eye
Strumpet eye
Strumpet eye
Strumpet eye
Dig a rare earth angel gone
