

# Gun Barrel, Roll Of The Dice

[G. Feldhausen]

Heart is beating fast time is standing still  
The dice's in my hand the ultimate thrill  
I can not resist, oh no

Adrenaline is pumping through my veins  
Tonight I will be gambling the game of the games

Roll of the dice  
Dancing with the devil  
Roll of the dice  
He looks at you with his snakes eyes  
Roll, roll of the dice  
Roll, roll of the dice

Bitten by a snake poison in my soul  
I'm addicted I'm out of control  
Out of control yeah

Roll of the dice  
Dancing with the devil  
Roll of the dice  
He looks at you with his snakes eyes  
Roll, roll of the dice  
Roll, roll of the dice

Down and out, broke again  
There goes my life down the drain  
There will be a few bucks to borrow  
Today I've lost so I'm winning tomorrow

Roll of the dice  
Dancing with the devil  
Roll of the dice  
He looks at you with his snakes eyes  
Roll, roll of the dice  
Roll, roll of the dice
