

Gun Barrel, Shut Up Or Lose Me

(G. Feldhausen)

He plays guitar and feels so fine
Heavy metal all the time
Sometimes fast sometimes slow
They called him Mr. Rock'n?Roll
One day how could he know
A woman came along to stop the show
He said: You're so pretty yes I know
But the boys are gonna tell me: Let her go!

(Chorus:)
Shut up, shut up
Shut up or lose me
Shut up, shut up
Shut up or lose me

He plays with the girl and feels so fine
In a pink bedroom all the time
Sometimes fast sometimes slow
After a while it's a boring show
One day how good to know
The boys are back playing Rock'n?Roll
He said: You're still pretty yes I know
Have a drink on me and let me go

(Chorus:)
Shut up, shut up
Shut up or lose me
Shut up, shut up
Shut up or lose me

(Repeat Chorus)
