

Gun, Long Run

When words they mean nothing
And everything you say is wrong
You tell me your happy
Turn around and I'll be gone
You think about leaving
Leaving when the going's good
You think about heaven
And everything it means to you

And I gave you hope
And I showed you life
Now you search for love
In this world tonight
And you run
And you hide
There's a fire
In your eyes

And I say life
Is like a long road
With open arms
We walk this long road

Precious little angel
Promises are made
The door is lying open
Here I go again

And I gave you hope
And I gave you love
Now the change has come
Are you strong enough
And you run
And you hide
There's a fire
In your eyes
And I say life (Angel)

Is like a long road
With open arms (Angel)
We walk this long road

Bring me shelter
Bring me truth
You can turn it all around
Break this silence
Break this pain
Help me turn it all around
Am I talking to myself

And I wait
Night and day
I've seen love
Turn to hate
Nothing's changed
Looking back
Is it so wrong to want what we can never have

I say life (Angel)
Is like a long road
To reach so high (Angel)
We bow down so low

Precious little Angel
Promises are made
The door is lying open
Here I go again, again, again

I say life (Angel)
And I say life (Angel)
And I say life (Angel) Is like a long road
And I say life (Angel)
And I say life (Angel)
And I say life (Angel) Is like a long road
