

# Gun, Long Run

When words they mean nothing  
And everything you say is wrong  
You tell me your happy  
Turn around and I'll be gone  
You think about leaving  
Leaving when the going's good  
You think about heaven  
And everything it means to you

And I gave you hope  
And I showed you life  
Now you search for love  
In this world tonight  
And you run  
And you hide  
There's a fire  
In your eyes

And I say life  
Is like a long road  
With open arms  
We walk this long road

Precious little angel  
Promises are made  
The door is lying open  
Here I go again

And I gave you hope  
And I gave you love  
Now the change has come  
Are you strong enough  
And you run  
And you hide  
There's a fire  
In your eyes  
And I say life (Angel)

Is like a long road  
With open arms (Angel)  
We walk this long road

Bring me shelter  
Bring me truth  
You can turn it all around  
Break this silence  
Break this pain  
Help me turn it all around  
Am I talking to myself

And I wait  
Night and day  
I've seen love  
Turn to hate  
Nothing's changed  
Looking back  
Is it so wrong to want what we can never have

I say life (Angel)  
Is like a long road  
To reach so high (Angel)  
We bow down so low

Precious little Angel  
Promises are made  
The door is lying open  
Here I go again, again, again

I say life (Angel)  
And I say life (Angel)  
And I say life (Angel) Is like a long road  
And I say life (Angel)  
And I say life (Angel)  
And I say life (Angel) Is like a long road
