

# Gun, Only One

Memories of failure and feeling like the fool on the hill, say you will  
As I stare into the distance heading down the road it seems so far  
To where you are  
And I've given all I had to give, gave it all to you, ahh  
And now I got myself believing that I'm not the only one

Meet me at the ocean where sunrise meets the day, I'll be there, I'll be there  
As I drive another border closer to the place where I belong, where I belong  
And it's easier to walk away from what I have to say, ahh  
Because I'm not the only reason and I'm not the only one  
I almost had my heart believing that I'm not the only one

So many times I thought of leaving but I'm not the only one  
I almost had myself believing that I'm not the only one  
And so it's too late now for reason cause I'm not the only one  
I'm not the only one I'm not the only one
