Been smokin' shit, loud, this noise (Noise)  
Swervin' around in these toys (Toys)

We like some students, white chalkin' you niggas  
And trust me, we gonna keep a grudge (Yeah)  
Swear to God that I'm goin' all out for my family  
Might pay a visit to your mom (Visit to your mom)  
I got a hundred thousand in my pocket, lil' nigga, I got it out the swamp (Uh)  
I just hope that you watchin', quit rockin' these watches  
Somebody'll plot and get you slumped (Plot and get you slumped)  
Got my check up like Nike, my boxers Versace
