Your shit trash, I don't see why you pipe
Off a gamble, I roll the dice
I know scammers that's known to swipe
Keep a hammer, I know you ain't right
VVS's like frozen ice
Yeah, I know but I still take advice
Need to free all my bros off of rice
Heard them crackers tryna play with your life
Get that dollar and don't drop a dime

I hide the bankroll in the attic
In the safe and I bet you can't hack it
Nothing nice if you touch without asking
You get hit in that Benz four door matic
If you diss you gettin' shot when you lackin'
Used to rock that Ed Hardy jacket
Now it's bumble Balmains cost some rackades
