

# Gunna, how you did that (feat. Kodak Black)

Makers

Say Gunna Wunna  
Run that back, Turbo  
I'm gonna wanna fuck her too

Shit'll catch up on a AR  
How you did that?  
Trackhawk lift up when you takeoff  
How you did that?  
You put switches all your blickies  
How you did that?  
Your LV bag turned to a Learjet  
How you did that?  
I seen that duck turn to a Louis  
How you did that?  
That look like a brand new booty  
How you did that?  
You got fake stones in a real watch  
How you did that?  
You hid some skeletons in yo' closet  
Why you did that?

How you yelling, "Slatt"? (Slatt)  
How I kill a cat, yeah  
Hop in and run in a two-tone Maybach, pillows in the back (Let's go)  
Too many vibes, and it's fully AK, someone gon' get whacked (Shh)  
How you go get more weed? You still owe me  
How you gon' do that?  
Snatch a Ruger bag, give a nigga Yak attack  
I get my shooter whacked, you eatin' cheese then that's a rat  
It ain't nighttime but your chain glow, "How you do that shit?"  
Me and Gunna fuck the same ho, how you knew that bih? (How you do that shit?)

Shit'll catch up on a AR  
How you did that? (How you did that?)  
Trackhawk lift up when you takeoff  
How you did that? (Skrr)  
You put switches all your blickies  
How you did that?  
Your LV bag turned to a Learjet  
How you did that?  
I seen that duck turn to a Louis  
How you did that?  
That look like a brand new booty  
How you did that?  
You got fake stones in a real watch  
How you did that?  
You hid some skeletons in yo closet  
Why you did that?

They hit your man, you ain't get no shaming  
How you live with that?  
She fucked the whole hood  
How you layin', have a kid with that?  
Margiela gold toes match the Hublot  
Yeah, I did that  
Kick more shit than judo, and she like how I did that  
How you get that shit, you got romancing on your hoes  
Matte black Maybach, sick  
Bitch, I'm too rich just view my roll  
Pop my shit like plumber, me and Gunna's diamonds flush  
I'm gon' ball all summer, just off grindin' for a month (Ayy)  
Pull up, hop out, dunk

Shit'll catch up on a AR  
How you did that? (How you did that?)  
Trackhawk lift up when you takeoff  
How you did that? (Skrr)  
You put switches all your blickies  
How you did that?  
Your LV bag turned to a lil' jet  
How you did that?  
I seen that duck turn to a Louis  
How you did that?  
That look like a brand new booty  
How you did that?  
You got fake stones in a real watch  
How you did that?  
You hid some skeletons in yo closet  
Why you did that?
