Guns N' Roses, Black Leather

Ooh Ooh Ooh

Well, she's all geared up, walkin' down the street And I can feel the slime, drippin' down her sleeve Well, you can't refuse and you just can't choose what she's gonna do Well, you can't refuse and you just can't choose what she's gonna do

Ooh Ooh

Well, it's late at night, and I'm all alone And I can hear her boots as she's near her home Well, you can't refuse and you just can't choose what she's gonna do Well, you can't refuse and you just can't choose what she's gonna do

[CHORUS:]

Scratch, scratch, she's clawing at the door Whoa, no, I can't take it anymore Crack, crack I'm feeling so sore I never should asked for black leather Black leather Ooh, black leather Ow black leather

And you can try to hide, but you won't get far You can let her in, and you'll start it again Well, you can't refuse and you just can't choose what she's gonna do Well, you can't refuse and you just can't choose what she's gonna do

[CHORUS]

Ooh Ooh Black Leather [x 8]
