

# Guns N' Roses, My World

You wan'da step into my world  
It's a sociopsychotic state of bliss  
You've been delayed in the real world  
How many times have you hit and missed?  
You cat-scan shows disfiguration  
I wanna laugh myself to death  
With a misfired synapse  
with a bent configuration  
I'll hold the line while you gasp for breath  
You wanna talk to me  
So talk to me  
You wanna talk to me [7 times]  
You can't talk to me  
You don't understand your sex  
You ain't been mindfucked yet  
Let's do it [3 times]  
Oh my distorted smile

Guess what I'm doing now
