Guns N' Roses, So Fine

How could she look so fine How could it be she might be mine How could she be so cool I've been taken for a fool So many times It's a story of a man Who works as hard as he can Just to be a man who stands on his own But the book always burns As the story takes it turn An leaves a broken man How could she be so cool How could she be so fine I owe a favor to a friend My friends they always come through for me- Yeah It's a story of a man Who works as hard as he can Just to be a man who stands on his own But the book always burns As the story takes it turn An leaves a broken man If you could only live my life You could see the difference you make to me- To me I'd look right up at night And all I'd see was darkness Now I see the stars alright I wanna reach right up and grab one for you When the lights went down in your house Yeah that made me happy The sweat I make for you Yeah...I think you know where that comes from

Well I'd look right up at night
And all I'd see was darkness
Now I see the stars alright
I wanna reach right up and grab one for you
When the lights went down in your house
Yeah that made me happy
The sweat I make for you
I think you know where that comes from

How could she look so good(So good) How could she be so fine How could she be so cool How could it be she might be mine
