

Gunther Levi, Teeny Weeny String Bikini

this is your night
everything is right
come and light up my life
it's a summer night

this is your night
come and hold me tight
yes you are the one
it's a summer night

... la la la la
its a summer night

oh la la
teeny weeny string bikini

this is your night
everything is right
come and light up my life
it's a summer night

this is your night
come and hold me tight
yes you are the one
it's a summer night

it's a hot night
I come from playa
I'm feeling good
and I want to partaya

I hear the kongas, mm
I feel like fire, ah
my party mood is getting higher

when the lights go out
there is no return
darling show what you can do
I want your body next to mine

oh la la
teeny weeny string bikini

this is your night
everything is right
come and light up my life
it's a summer night

this is your night
come and hold me tight
yes you are the one
it's a summer night
it's a summer niight

oh la la
cha cha cha
oh la la
summer nights

I saw you body
I saw your lips
I saw you dancing and moving your hips
you have a sunburn
like chokolada

it's you, me and pina colada

when the lights go out
there is no return
darling show what you can do
I want your body next to mine

oh la la
teeny weeny string bikini

this is your night
everything is right
come and light up my life
it's a summer night

this is your night
come and hold me tight
yes you are the one
it's a summer night
summer night

oh la la
(oh baby)
cha cha cha
oh la la
summer nights

this is your night
everything is right
come and light up my life
it's a summer night (everything is alright)

this is your night
come and hold me tight
yes you are the one
it's a summer night

oh la la
teeny weeny string bikini

this is your night
everything is right
come and light up my life
it's a summer night (ooohohoh)
