## Gunther Levi, Teeny Weeny String Bikini

this is your night everything is right come and light up my life it's a summer night

this is your night come and hold me tight yes you are the one it's a summer night

... la la la la its a summer night

oh la la teeny weeny string bikini

this is your night everything is right come and light up my life it's a summer night

this is your night come and hold me tight yes you are the one it's a summer night

it's a hot night I come from playa I'm feeling good and I want to partaya

I hear the kongas, mm I feel like fire, ah my party mood is getting higher

when the lights go out there is no return darling show what you can do I want your body next to mine

oh la la teeny weeny string bikini

this is your night everything is right come and light up my life it's a summer night

this is your night come and hold me tight yes you are the one it's a summer night it's a summer niight

oh la la cha cha cha oh la la summer nights

I saw you body
I saw your lips
I saw you dancing and moving your hips
you have a sunburn
like chokolada

it's you, me and pina colada

when the lights go out there is no return darling show what you can do I want your body next to mine

oh la la teeny weeny string bikini

this is your night everything is right come and light up my life it's a summer night
