

# Gurus Hoodoo, My Girl

Once a girl took my love until I couldn't give anymore,  
Then I tried to pretend not to see what I couldn't ignore.  
My girl don't love me at all  
Anymore.

I took her to the dance and then I didn't see her all night.  
Then a friend said he saw her with some other boy just outside.  
When I went out she was alone.  
She said, "I would like to go home"  
I asked her, "Who were you with?"  
She said, "No-one."  
I could tell that she lied  
(And a voice said inside)  
My girl don't love me at all  
Anymore.  
Not at all.
