

# Gus Gus (GusGus), Chocolate

My sweetheart,  
my chocolate, mocholate.  
I've got the world to hold me up,  
'cause I'm under the influence of love, babe.  
You know,  
last thing I would do in this world is hurt your feelings.  
As God is my witness,  
I know we'll be together,  
and then nothing, nothing will tear us apart, ever.  
'Cause you know, baby,  
I do love you.  
I love you, I love you, I love you...  
I love you.
