

# Gustaw Rosiński, Cry Just A Little Bit

Everytime you have to whisper good-bye

Well

I cry just a little bit  
cry just a little bit.  
I know it's crazy and I don't know why

But I die just a little bit  
die just a little bit.  
I need to be the one that's by your side  
you are the beat in my heart.  
My love for you is something I can't hide

And I cry just a little bit  
cry just a little bit

Cry just a little bit  
cry just a little bit.  
Every night before I'm fallin' asleep

Well

I pray just a little bit  
pray just a little bit.  
I pray nobody wants your loving to keep  
And you stray just a little bit  
stray just a little bit.  
Don't let temptation fill your heart with dreams

Don't let your mind run away.

Forbidden love is never what it seems

And you cry just a little bit  
cry just a little bit  
cry just a little bit.  
You're the light that brightens all of my days

Yes

the sun shines above you and I would die

If someone took you away  
'cause I love you  
love you.  
Cry just a little bit  
cry just a little bit.  
I want forever to be you and I  
that's the way it should be.  
I live for you and  
baby  
that is why I cry just a little bit

Cry just a little bit  
cry just a little bit.  
Every night we have to whisper good-bye

I cry just a little bit  
cry just a little bit.  
I know it's crazy and I don't know why

But I die just a little bit  
die just a little bit.  
Cry  
cry  
cry

cry just a little bit  
cry just a little bit

Cry  
cry  
cry  
cry just a little bit  
cry just a little bit
