

Guster, G Major

Everyone here's in trouble
Man with the megaphone
It's smoke and mirrors
And crystal balls
And red alerts all because
The king who hides behind the pawns
I can see what's really going on
I can see what's really going on

Everyone here's a bubble
Merrily floating on
Manicured suburban lawns
And patriotic country songs
Pledge allegiance sing alongs
I can see what's really going on
I can see what's really going on

Everyone here's in trouble
Angles abandoned guard
History is cyclical
Crusaders and the biblical
Light the torches bang the gongs
I can see what's really going on
I can see what's really going on

Na na na na-na
Na na na na-na
Na na, na na
Na na, na na

Na na na na-na
Na na na na-na
Na na, na na
Na na, na na
