

# Guster, The Prize

My, my how things have changed since I have been away  
Its the first time but its different, Im afraid  
Wheres the boy so happy to be near it all?  
Hes lost in the travels  
A little part of me so small  
Cry for me  
Cry for him  
Cry for the answer  
Cry because its done  
Cry for the feeling  
Cry for the youth  
All for the prize  
Through different eyes  
The promise that you have made forgets  
See it as you may  
Deny it while you can  
Search for the reasons  
As you beg to understand  
Cry for me  
Cry for him  
Cry for the answer  
Cry because its done  
Cry for the feeling  
Cry for the youth  
All for the prize  
Come and go  
Dont get pulled into the light  
Come and go  
Wouldnt believe it if you tried  
Come and go  
Its as useless as it was  
You can go  
The end we know  
I wont tell you anything  
So far away you are to me  
Cry for me  
Cry for him  
Cry for the answer  
Cry because its done  
Cry for the feeling  
Cry for the youth  
All for the prize [2x]  
My, my I swear its been a lifetime since i have been away  
Its the last time but somehow its all the same  
Wheres the boy?
