

Gutterball, Blessing In Disguise

rain falls on my window
rain floods through my house
bad luck comes like a tired reprise
and I'm waiting for a blessing in disguise

what's the use in praying
when you don't know what you want
I'll play dumb; I like to be surprised
and I'm waiting for a blessing in disguise
and I'm waiting for a blessing in disguise

never complain when the cards don't fall my way
never called out for anyone
I always take whatever comes my way
when it comes, when it comes...

I don't believe in superstition
I don't believe in good advice
I believe in the roll of the dice
and I'm waiting for a blessing in disguise
and I'm waiting for a blessing in disguise
