

# Guttermouth, Party Of Two (Your Table Is Ready)

he's so tall  
he's so slim  
with that shit-eating grin  
how can i trust him

hey who's that in the ten-gallon hat  
why should i vote for him

it sucks  
big bucks  
americas conditioned  
with pride they hide  
their real ambition

(chorus)  
let me retort on the two party system  
which one will you endure  
when you cast a vote in a two party system  
that's when you lose for sure

hi ho hi ho its off to work i go  
then off to lynyrd skynyrd  
they smoke so much dope but then tell me to rock the vote  
i'd rather be a retard

Ambushed  
I'm to bushed to explore an alternative

they say  
there's no way  
it'll change the way that i live

(repeat chorus)

go choke your chicken  
this two party system  
that's when you lose for sure

i'll go choke my chicken  
it sounds finger lickin  
but it smells like manure

(oh's and ah's)

up to the mountains  
in a cave i'll never vote or even shave  
i'll was my hands of all this

cause ignorance is bliss  
right on the floor i'll take a piss  
while you endure political abyss
