

# Guttermouth, Twins

When I think of you  
I ponder all the things ah that we could do  
Like take-away some Chinese  
And we'll make home brew  
That's what we could do  
When I think of us  
I want o sell my car off  
And I'll take the bus  
And tell 100 strangers bout the two of us  
And your brand new bust  
(chorus) It's just you and me  
How I wish we were Siamese  
Joined together at the hip  
Walking down the sunset strip  
It's just you and me  
You and me  
You and me  
(chorus)  
It's just you and me  
Let's buy a little boat and head out to sea  
The captain will marry us  
We'll live so happily  
Till we're lost at sea  
(chorus)  
It's just you and me  
You and me you and me uh huh  
just you and me  
It's just you and me
