

Guttermouth, Viva America

you may think you got it pretty bad
well my friend you should be a fucking glad because
you take for granted everything you've got
try to find a disneyland in africa asshole!
america, not china, not canada
america, not cuba, not jamaica
get a job you leaching welfare whore
in the stars, there's non need to be poor, because
true americans our pistol packing pals
don't tread on me you fuckin' filthy foreigner
america, not asia(minor), not nebraska, electricity
we're americans, not indians, not russians
put us down, we'll blow you off the map
in a flash of hot water from the tap.
light bulbs ,movies stars, we can cure the clap
you stupid fuck
