

Guttermouth, When Hell Freezes Over

i can't believe
what the fucks
in front of me
you must be fucking 70
at last
what the hells your problem
problem
ozzy
& motley crew
& kiss i thought that you were through
but i kinda liked the kiss show
let's get ozzy off the stage
let's get motley off the stage
let's stanley off the stage tonight
you were good 20 years ago
too much pot a little too much blow
now the bypass surgery new hip
at seisure world enjoy your stay
shuffle board bingo macrame
3 hot meals liquified for you
