

Guy Clark, A Little Of Both

I like drinking whiskey
I like being straight
I like a voodoo spinners
And I like live bait

I like a hundred miles an hour
I like Sunday driving too
I like being alone with me
I like being alone with you

Chorus

Give me a bowl of chili
Give me milk and toast
As long as you're dishing it out Lord
I'll take a little of both

I could do with someone
But I could do without
Sometimes you feel like dancing
Sometimes like sitting it out

I like staying at home
And I like going to town

(in actual song it's: "And I can't help going to town")
As long as I got a choice
I can't turn nothing down

Chorus

(Spoken) Put a little gravy on everything for me

Solo

Sometimes I like to fly
Sometimes I have to crawl,
Sometimes I'm cool as ice
Sometimes I'm climbin' the wall

Sometimes it's just the money
Sometimes it's just a game
Six of one and half-a-dozen
Of another is all the same

Chorus Twice
