

Guy Clark, Come From The Heart

When I was a young man my daddy told me
A lesson he learned, it was a long time ago
If you want to have someone to hold onto
You're gonna have to learn to let go

Chorus

You got to sing like you don't need the money
Love like you'll never get hurt
You got to dance like nobody's watchin'
It's gotta come from the heart if you want it to work

Now here is the one thing that I keep forgetting
When everything is falling apart
In life as in love, what I need to remember
There's such a thing as trying too hard

Chorus
