

Guy Clark, Good To Love You Lady

Now here comes Texas rolling through my mind
There ain't nothing to it mama don't be cryin'
It's just one of those things that everyone goes through
Just an old time feelin' don't mean no harm so roll me in your lovin' arms
Everybody needs a little help from time to time
If I could change anything then I wouldn't be me
I wouldn't have you and it's plain to see
I need all of help that I can get everybody's got 'em some kind of past now
And here comes that old snake in the grass now
Lord it's good to be in Tennessee with you
It's good to have you lady-o on my side through it all
It's good to see you lady-o when the rain starts to fall
It's good to love you lady Lord that's the best of all
