

Guy Clark, I Don't Love You Much Do I

I don love you much do I
Just more than human tongue can tell and that's all
I don love you much do I
Remember how I kissed you in the hall

Chorus

See how it sparkles in my eyes
I couldn hide it if I tried- that right
I don love you much do I
Just more than anything else in this whole world
I don love you much do I
Just more than all the stars in the sky
I don love you much do I
I think you hung the moon and that alright

Chorus

I don love you much do I
You can feel it all the way across the room
I don love you much do I
Like the spring doesn make the flowers bloom
I don love you much do I
I'd follow you to hell and back again
I don love you much do I
Just watch me light up when you walk in

Chorus
