

# Guy Clark, I Don't Love You Much Do I

I don't love you much do I  
Just more than human tongue can tell and that's all  
I don't love you much do I  
Remember how I kissed you in the hall

Chorus

See how it sparkles in my eyes  
I couldn't hide it if I tried- that right  
I don't love you much do I  
Just more than anything else in this whole world  
I don't love you much do I  
Just more than all the stars in the sky  
I don't love you much do I  
I think you hung the moon and that alright

Chorus

I don't love you much do I  
You can feel it all the way across the room  
I don't love you much do I  
Like the spring doesn't make the flowers bloom  
I don't love you much do I  
I'd follow you to hell and back again  
I don't love you much do I  
Just watch me light up when you walk in

Chorus
