## Guy Clark, Sis Draper

Kick your shoes off in the corner mama
Tuck the babies all up snug
Sis Draper's comin' over, we all gonna cut a rug
When you see that lantern swingin' yonder
Comin' up the Holler Road
Them dogs'll get to barkin'
Ought to tie em all up with a rope

You boys better get in tune Sis Draper's gonna be here soon Don't shoot no dice nor get too tight If you're gonna pick with Sis tonight

She came down from the Boston mountains
There was lightnin' in the air
Honey on them fiddle strings
Magnolia in her hair
She's a diamond in the rough
If you can't see the shine that's tough
Play all night for the likes of us
Sis Draper's got the touch

She'll play all night if she feels like it have some fruit punch if you spike it Sis don't care who don't like it See, ol' Sis has got a Hell of a bow arm on her

She stepped up and sawed one off And uncle Cleve dropped his jaw Said she's the best I ever saw She must be from Arkansas

I think Grandpa used to date her Grandma says she still hates her All the fellas stand up straighter In the presence of Sis Draper

Sis Draper is the devil's daughter Plays the fiddle Daddy bought her Plays it like her mama taught her She's a travelin' Arkansawyer

Put her fiddle in a box Said it's getting awful late She's on her way to Little Rock And Little Rock can't wait

So we all stood out in the yard Hands all full of watermelon Watcher her leave watched her go Wishin' I was in that wagon

Sis Draper is the devil's daughter Plays the fiddle Daddy bought her Plays it like her mama taught her She's a travelin' Arkansawyer
