Too much workin'll make your back ache  
Too much trouble'll bring you a heartbreak  
Too much gravy'll make you fat  
Too much rain'll ruin your hat  
Too much coffee'll race your heart tick  
Too much road'll make you homesick  
Too much money'll make you lazy  
Too much whiskey'll drive you crazy

Too much just ain't enough  
Too much ain't near enough  
Breathin bout the only thing  
I do too much of ain't enough

Too much limo'll stretch your budget  
Too much diet'll make you fudge it  
Too much fluff'll make you show it  
Too much pressure'll make you blow it  
Too much onion'll make you weepy  
Too much preachin'll make you sleepy  
Too much Mexican food'll fill you  
Too much honky tonk'll kill you

Too much waitin'll make you worry  
Too much smokin'll give you cancer  
Too much cocaine ain't the answer

Too much walkin'll wear your shoes out  
Too much juice'll blow your fuse out  
Too much time'll fill your hands up

Too much map has always lost me  
Too much fun has always cost me
