

# Guy, Dancin' (Remix)

(feat. Cuban Link, Fat Joe)

[Fat Joe]

Yo, new millennium, Joey Crack the Don  
Yo, yo, uh, yo when the song come on  
I be long gone drunk off Sean  
In the VIP where the dons belong  
With a bad ass mami getting her party on  
Taking shots of her body till Bacardi's gone  
Caution dog, stay calm I mean no harm  
You know the squad, Joe the Don  
Be like show me your thong  
No he ain't wrong  
Crush to our favorite song  
In the naked form, till the break of dawn, come on

[Guy]

Looking in your eyes  
As we start to dance the night away  
(Uh-huh, uh-huh)  
I can feel your heart (Yeah)  
As your pushing your body close to mine

[2]

To the beat, to the drum  
To the music till we're one  
Don't you worry 'bout the crowd  
Cause there's no one else around  
I can freak it if you like  
I can make you feel all right  
I can serve it to you right  
Cause I'd like to explore your body tonight

[1]

I like to think that I'm the only one she sees  
When we're dancing (dancing)  
When we're out on the floor (out on the floor)  
I like to think that she'll be coming home with me  
So I slowly move closer  
Let her know that I want her

Baby take my hand (Yeah)  
And let me guide you to this dance of love  
(We'll be moving so close)  
Almost like we're making love  
Baby, bring your body and let it bounce with me

[Repeat 2]

[Repeat 1]

[Cuban Linx]

Yo, yo, yo  
I'm in the club thuggin' it out  
Grabbin' my niggas puffin' an ounce  
Guzzling down Henney, plenty honeys loving me now  
Y'all know my style, wild out  
Get drunk and jump in the crowd  
Something about Cuban got women running, coming from miles  
Ain't no doubt, one smile will have 'em floating on clouds  
Throwin' around their panties  
Talkin' 'bout how they wanna go out  
Cause papi got 'em strung out, crushin' and turnin' 'em out  
Ya better throw in the towel

Cause I last longer than trial

[Female (Guy)]

Do you wanna dance with me?

(Yeah)

Do you wanna dance with me?

(Yeah)

I want you to, I want you

(And you know that I do)

Do you wanna dance with me?

(Yeah)

Do you wanna dance with me?

(Yeah, yeah, yeah)

I want you to, I want you

(Yeah, yeah, yeah I do)

[Repeat 1]

[Guy]

Can I dance? Can I dance?

Can I dance with you?

Can I dance? Can I dance?

Can I dance with you?

Can I dance? Can I dance?

Can I dance with you?

So I slowly move closer

Let her know that I want he
