

Guy Lombardo & His Royal Canadians, Have A Little Faith In Me

I wish I could say,
In my little way,
How you set my heart aflame.
I tremble with fear
Whenever you're near,
I even forget my name;
To live and love you is my only aim.

My heart's humming,
Better times are coming,
Have a little faith in me.
Skies will clear up
Just to make you cheer up,
Have a little faith in me.
In the distance there's a silver lining,
I see it shining,
And that just means success and happiness.
Oh, I'll come through, dear,
With the help of you, dear,
Have a little faith in me.

Whatever the task,
Whatever you ask,
I'll always be glad to do.
And let me confess
I want to impress,
I'm living to please just you;
All that I ask is just a smile from you.
