

# Guy Lombardo & His Royal Canadians, Have A Little Faith In Me

I wish I could say,  
In my little way,  
How you set my heart aflame.  
I tremble with fear  
Whenever you're near,  
I even forget my name;  
To live and love you is my only aim.

My heart's humming,  
Better times are coming,  
Have a little faith in me.  
Skies will clear up  
Just to make you cheer up,  
Have a little faith in me.  
In the distance there's a silver lining,  
I see it shining,  
And that just means success and happiness.  
Oh, I'll come through, dear,  
With the help of you, dear,  
Have a little faith in me.

Whatever the task,  
Whatever you ask,  
I'll always be glad to do.  
And let me confess  
I want to impress,  
I'm living to please just you;  
All that I ask is just a smile from you.
